

Coronavirus Safety Measures

At the Holy Monastery of Panagia Proussiotissa, we care about the safety and health of everyone who enters our monastery to pray. Here are some of the measures we have taken to promote a healthy environment during the present pandemic:

- Attendance in the Church is currently limited to a maximum of approximately 30 persons, or however many people we can safely accommodate at a time with social distancing recommendations.
- Chairs have been taped off and families are asked to maintain a minimum of six feet apart per CDC recommendations on social distancing.

In the end, the good health of everyone depends upon personal responsibility such as staying home when you have a fever or are sick. We are doing our best to create a safe environment and we ask for everyone's cooperation in these efforts.
